Well done to our 'Celebration Assembly' certificate winners – keep up the good work!						

Mersea Residential

Year 6 will be going on their residential visit to Mersea Outdoor Centre on the first day back after half term. In other years this has been an exciting time to try out new skills and it has been thoroughly enjoyed by all. Please remember to arrive promptly on Monday 6th June with all the correct, named luggage. Please also ensure you bring your packed lunch if you haven't ordered one. We're sure you will have an amazing time and one you will always remember!

Celebrations for the Queen's 90th Birthday

On the first week back after half term, we will have a whole week of celebrations to mark the Queen's 90th birthday.

This will end with a whole school afternoon tea on Friday 10th June. We will celebrate with songs and fancy hats and flags which we will make in class during the week.

On the Monday we return, a list of party food will be put up in each class, could you please sign up if you can provide any food for the afternoon tea.

New Appointment

We are delighted to announce the appointment of our new Deputy Head, Mr Risebrow, who some parents may have already met this morning.

Mr Risebrow will be working in the school for a few days in July, and then will be officially starting in September.

Please say hello if you see Mr Risebrow in the school.

Norwich City Council Half Term Activities

Norwich City Council are also offering cycling opportunities in Lakenham and Tuckswood over half term.

They are organising a fun cycling session on **Thursday 2nd June** between 2-4pm at Harford Park. This will be a free drop in for children to come and learn some skills, build confidence on the bike, play some games and have some fun races on the cycle speedway track. They will also have the Bike Doctor there to carry out bike checks and a limited number of bikes to borrow for any children who don't have their own.

On **Sunday 5th June** at 10am, they are also arranging a Schools Skyride. Norwich City Council have secured a team of Ride Leaders to deliver a schools/family ride, this will start at Lakenham Primary School. This is a chance for families to join a group ride, led by qualified British Cycling ride leaders. There will be rides of different lengths (1.5 miles up to 6 miles) to suit varying ages and abilities.

Shoe Boxes

We need to collect a large number of children's sized shoe boxes with lids next half term. This is for an exciting new project we will be doing in Reception and Year 1.

If you have any at home, or you are buying new shoes over half term, we would be very grateful if you could donate them to the school office.

Thank you!
