City Sports Event

On Monday, athletes from Years 4, 5 and 6 travelled to the UEA Sportspark to compete in the City Sports Event against other Norwich schools. We travelled with Tuckswood Academy and not only did we compete, new friendships were also formed.

Congratulations to everyone who took part, and especially to Bailey, Ashleigh and Sebastian who made it through the heats to compete in the final. Everyone had a fantastic time and our athletes made us proud.

Sports Day

We will be holding our sports day **Wednesday 13th July**. Parents are very welcome to join us in the morning for **9.15am.** We will have chairs out for parents to sit, please ensure you stay in this area as the children will be sitting with their classes and are not allowed to cross the track. Please remember that we have no parking facilities at the school.

The classes will be taking part in sporting activities all day, so can they come to school in their full PE kit and wear trainers. Please can you apply sun cream before school and send them with a hat and water bottle. We're hoping for a dry day, but please note that if we have heavy rain the sports day will need to be cancelled.

Norwich in Bloom

We have had visits from the Friends of Norwich in Bloom this week, who were highly impressed with our allotment and wildlife area. One of the visits included international judges!

We're hoping for more success in the competition this year!

Moving Up Morning

Year 4 class had their moving up morning this week, where they met their new class teacher and Deputy Head, Mr Risebrow.

Please remember that all other classes will be having their moving up morning next Friday, and every child will need a small shoe box for that day. If anyone has spare shoe boxes which they do not need, we would be grateful if you left them at the main school office.

Opportunity to check Benefit Entitlement - Tuesday 12th July!

Between ourselves and Norwich City Council, we have arranged to hold a drop in session for parents or carers to check they are getting all of the benefits they are entitled to. This will be an informal chat, possibly with use of an online benefits calculator tool to check if people might be eligible for additional support. They could also forward parents on to other organisations if anyone needs additional follow up support.

The drop in session will be held on **Tuesday 12th July** from 8.30am until 10am at the school. We hope parents and carers can make full use of this session.

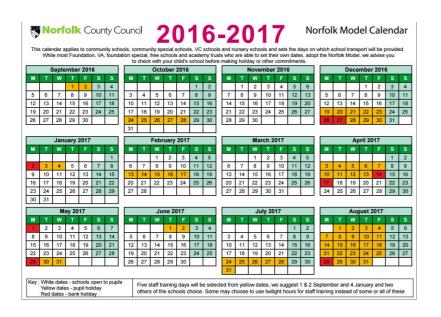

Our Reading Tree

Congratulations to Ruby, Jessica and Lee who have all read lots of books to let them have an owl with a crown on our reading tree.
